From The Warden's Desk

"Finally, Summer is almost here!"

With the days getting warmer and Summer fast approaching I am sure we are all looking forward to the many festivals and events held throughout the Municipality over the coming months.

The Municipality is currently in the process of hiring summer staff for various departments such as Recreation, Public Works and the Waste Management Facility. With all of the recreation programming, in-kind contributions to community groups and events, municipal parks and playgrounds, etc. it is certainly a very busy season for everyone.

In March the Municipality adopted the 2017/2018 Budget and I am very pleased that we were able to maintain the tax rates for this fiscal year. The rates have remained unchanged since 2011. We have been able to do this without compromising service delivery to our residents and plan to carry out several new exciting projects this year. The Municipality still has the lowest residential tax rate in the Province of Nova Scotia.

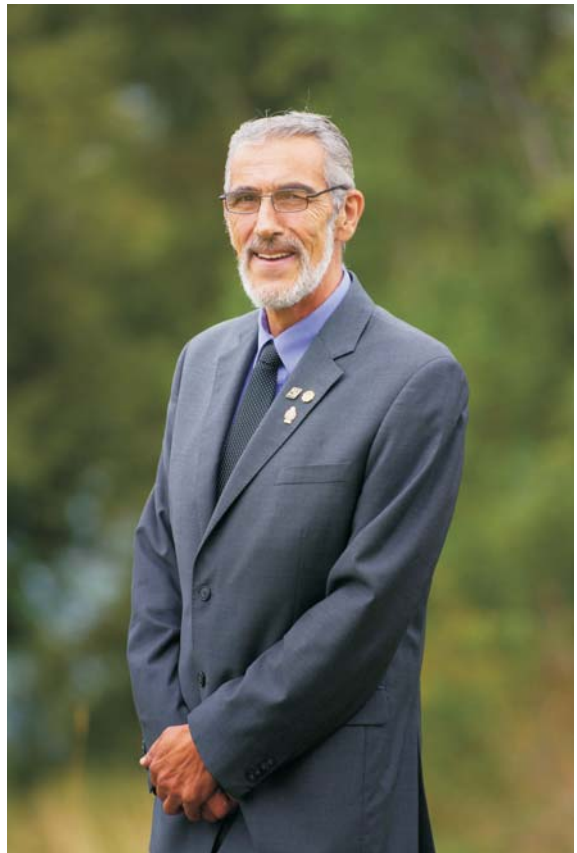

Over the last number of months, the Municipality has continued to work with potential developers to build on our business opportunities to help improve our long term financial health with over 64% of our revenue coming from other sources mostly made up from our business investments.

With respect to our economic development projects, progress continues to be made on the Melford Atlantic Gateway project, Goldboro LNG and the Black Point Quarry Project. Council continues to be very optimistic the 2017/2018 fiscal year will see some of these projects moving forward and making their final investment decision.

The proposed Maritime Launch Services project has made significant advancement. They are proposing to construct a rocket launch facility in the Canso/Hazel Hill/Little Dover area. This proposed project involves launching satellites into space and consists of a Command Centre, launch vehicle facility and launch pad. It is estimated that this facility will cost in the vicinity of \$100 million. Open House meetings have already been held in Canso and Council and Staff have been spending significant time over the past few months learning more about this project and monitoring its' progress. Meetings with Council and the Province continue.

We are also encouraged to see renewed interest in gold mining. Anaconda is in the process of finalizing the purchase of Orex property in Goldboro. In the coming months we expect Anaconda will be forming a Community Liaison Committee and engaging directly with the community in terms of their plans. Preliminary environmental assessment work is already underway. Anaconda will be developing a mine plan and filing its Environmental Assessment documents.

The Municipality is now well into our second year of operations at the Sable Wind Farm. To date, we have exceeded all projections. The wind resource is excellent and the turbines are operating well. Our Small Wind ComFIT turbines in Melford and Goldboro are also generating well and complement our investment in "large-wind". We continue to monitor potential for further wind development in MODG and have promoted the Melford area as a potential site for a large-scale windfarm to supply the Atlantic Link Project. Given the tight timelines associated with this project, we may not participate in this round of project development, however we are well positioned for future developments.

From The Warden's Desk

The Municipality continues to work with developers on the following LNG/Pipeline projects:

- Goldboro LNG – Goldboro LNG continues to make significant progress, having recently reached agreement on Labour the proponents are now in the process of completing a reverse-takeover of Quebec based Petroliia. Through this agreement, Goldboro LNG hope to complete financing to move the project forward.
- Bear Head LNG/Bear Paw Pipeline – Bear Paw has recently executed an option agreement with the Municipality on property within the Goldboro Industrial Park. Representatives continue to have discussions with landowners along the proposed pipeline corridor from Goldboro to the Strait of Canso.

Consultants are continuing to work on the Municipality's new five (5) year Strategic Plan. The Stakeholder sessions have been completed and a Public Open House will be scheduled in the coming weeks which will provide opportunity for public input. More information will be provided once the date has been established for the public session.

The Façade Program will be reoffered in 2017/2018. This is a program wherein Council have provided support to local businesses by contributing financially to assist in improving the “curb-appeal” of those businesses. These projects have included contributions that assisted with upgrades ranging from new signage to complete renovations of buildings. The MODG contribution represents 50% of project costs to a maximum of \$5,000. The deadline for applications for this year will be June 30th.

The Municipality was very pleased to receive funding from the Provincial and Federal Government in the total amount of \$3 million for the Chedabucto Lifestyle Complex. The Municipality has awarded the tender for this project to Marco Maritime Ltd. and construction is underway. We are very excited to finally see this project move forward after more than 10 years of planning.

The dissolution of the Town of Mulgrave is no longer proceeding. The Town of Mulgrave recently withdrew their application to the Nova Scotia Utility and Review Board to dissolve and join MODG. As such, the Municipality has closed this file.

The Municipality recently approved a financial commitment to the St. Martha's Regional Hospital Foundation in the amount of \$250,000 to assist with their goal of building an “Endowment Fund” for our regional hospital. The Municipality will also be lobbying the Provincial Government for representation on the Provincial Health Board. Council is very concerned over the fact that currently there is no seat on the Board for our region.

The Municipality was very pleased to approve 19 applications under the “Green Fund” Program this year. This program provides funding to groups or organizations to assist with activities or projects which are intended to improve the environment or enhance the nature of an area.

The PACE program is being offered again this year and will be providing residents with low interest loans up to \$10,000 to complete energy efficiency upgrades to their homes. To date the Municipality has received six (6) applications under the program.

On behalf of Council, I would like to thank the residents for all of their support and feedback over the last several months and hope you have a great Summer!

Sincerely,

Warden Vernon Pitts

Chedabucto Place Association Grant

MODG has approved a grant of \$2000.00 to the Chedabucto Place Association that will be used to support "not for profit" MODG community groups in accessing the Chedabucto Place Performance Centre to stage fundraising events.

Each qualifying community group will be allowed to access this funding opportunity once per fiscal year. The amount of the funding is \$300.00 per event. This funding would cover the rental/operational costs, use of CPA Web Page, Facebook Page, and e-mail contact system to promote the event. This grant will allow the community group to keep all the revenue from paid admissions. This would be of benefit to both the Chedabucto Place Association and the community group. The grant would be made to the Chedabucto Place Association and administered by Chedabucto Place Association. The Chedabucto Place Association would report annually on the usage of this grant to MODG.

NEWS FROM THE MUNICIPALITY

PACE Program

The Municipality of the District of Guysborough (MODG) has partnered with Efficiency Nova Scotia (ENS) to offer a PACE Program for homeowners.

PACE is an acronym for “Property Assessed Clean Energy.

It is an innovative municipal financing tool which allows homeowners to invest in long term energy efficiency upgrades to their home and pay for the cost over time through a property tax assessment. The loan is designed to stay with the home rather than the homeowner. PACE allows homeowners to obtain and repay energy efficiency loans through their property taxes. On the sale of the home, the loan stays with the home rather than the seller. Residents of the MODG can borrow up to a maximum of \$10,000 to help cover costs of energy efficiency upgrades.

To be eligible you must:

- Own your home you are living in or receive consent to participate from the owner
- Receive consent from all individuals named on the title to the property to participate in the program
- Be in good standing with all municipal accounts
- Receive consent from your mortgage lender (if applicable)
- Complete energy efficiency upgrades that will help you save more or equal to the annual payment to the Municipality

Loan Details:

- Homeowners may borrow up to \$10,000 for up to a 10 year term
- Homeowners will be charged an administration fee of \$199 to participate in the program and an annual interest rate of prime + 1% (currently 3.7%)

What work may be eligible*?

- Insulation: Ceiling – Attic
- Insulation: Ceiling – Flat Roof/Cathedral
- Insulation: Basement & Crawlspace
- Basement Slab & Header Insulation
- Exposed Floor Insulation
- Air Sealing
- Drain Water Heat Recovery
- Heat Recovery Ventilator
- Solar Domestic Hot Water
- Solar Air
- ENERGY STAR ® Windows, Doors or Skylights.
- ENERGY STAR ® Central Ducted or Ductless Heat Pumps
- Geothermal
- Pellet & Wood Boiler/Furnace
- Pellet & Wood Stove

*All upgrades must be a savings to investment ratio of 1 or greater to be eligible.

NEWS FROM THE MUNICIPALITY

Pace Program Continued

Steps:

- Submit the Registration Form to your municipal office for review.
- Contact your mortgage holder to obtain Lender Consent if you currently have a mortgage on your property.
- Once your Registration Form has been received and approved by the Municipality, you will be contacted by Efficiency NS to set up an initial Home Energy Assessment.
- After your initial Home Energy Assessment, decide what upgrades you would like to complete and obtain quotes.
- Submit the quotes and schedule a final Home Energy Assessment.
- After the upgrades are verified, your contractor will be paid and you will begin making monthly payments to the Municipality.

Façade Grant Program

The Municipality of the District of Guysborough is once again offering a program to improve the facades of buildings to enhance the “curb-appeal” and make our communities more attractive. The goal of the program is to enhance the appearance of the commercial retail/service businesses and in so doing refresh the sense of pride within our community.

The Façade Grant Program is designed to provide financial assistance to commercial property owners who would like to improve and enhance the 'cosmetic' appeal of their building from a streetscape viewpoint. Each eligible applicant could receive a grant for 50% of the cost of the project up to a maximum of \$5,000.00.

The Municipality will be accepting completed applications under the Façade Grant Program up until June 30, 2017. For a complete copy of the Program guidelines, including application form, please visit our website at www.modg.ca or contact the following:

NEWS FROM THE MUNICIPALITY

Know what's below. Call before you dig.

Important Notice to all Contractors, Homeowners and Landowners:

The Municipality of the District of Guysborough, Public Works Department is asking that you contact us prior to any excavation work carried out within the areas of:

- Hazel Hill
- Tickle
- Shiretown of Guysborough
- Little Dover
- Canso

These four areas contain Municipal water and wastewater infrastructure that could easily be damaged in the event of any excavation. Once notification is given to Public Works it will be determined if any water or wastewater infrastructure is present in the immediate area of your dig. Thank you for your cooperation.

Keeping Our Parks Clean is Important

Garbage/Recycle Bins are provided to keep our Parks free of Litter

1. **You can pop it in the bin.** Recycle your pop cans.
2. **Roll up to the bin and toss it in.** Everyone's drinking coffee on the go - make sure your cup ends up in the bin.
3. **Don't make yesterday's news tomorrow's trash.** The real news would be if we all recycled our newspapers.
4. **Gum shoe blues.** Aim for the bin, not the sidewalk.
5. **Fast food = fast litter.** Put the brakes on fast food litter.
6. **Everybody needs a pick-me-up.** Pledge to pick up one piece of litter daily.
7. **Bin there, do that.** With several bins out there, just walk those few extra steps.
8. **Talking trash is okay.** Remind family, friends, kids and colleagues not to litter.
9. **Once you butt out, butt in.** Smokers, put your butts in the ashtray and cigarette packs in the bin.
10. **Removing dog poop** and disposing of it properly is therefore a public health and safety activity, and one in which every dog owner should proudly participate.

Don't trash your Municipality

Learn to Sail Program

It's time to start thinking about sailing! The Recreation Department is again offering a sailing school in beautiful Guysborough Harbour and Chedabucto Bay. The Guysborough County Sailing Club has several courses this summer that might be for you! All course fees can be paid in installments over time.

Start Keelboat Sailing. The entry level course. Even if you've never even seen a sailboat before, you'll learn the basics of boat handling and safety onboard a sailboat. \$200

- Start Keelboat Sailing for Senior Women: July 14 - 16
- Start Keelboat Sailing for Senior Men and Women: July 28 – 30
- Start Keelboat Sailing for Adult Men and Women: August 11 – 13

Practice Keelboat Sailing. For those who have already taken the course and want to keep their boat handling skills fresh. \$100

- Practice Keelboat Sailing: August 21 – 23, or
- Practice Keelboat Sailing: August 25 – 27

Basic Cruising, the Gold Standard course for those who want to know it all, and “get out there”! \$540

- Basic Cruising: Choose from June 26 – 30, or July 3 – 7

Pleasure Craft Operator. Anyone who operates any type of vessel for pleasure (old fishing boat, sail boat, power boat, seadoo – whatever) that has a motor is required by law to carry the Pleasure Craft Operator Certificate Card. \$50.

- Pleasure Craft Operator: June 24, or Sept 2.

Sailing is GREAT! Come join us this summer. Courses are already filling, so register early. For more information, call Kate at 870-6567 or the Guysborough Recreation Department at 533-3705 Ext 240

Guysborough Highland Dance Competition

Many thanks to all the dancers, parents, volunteers, supporters and sponsors for making the Guysborough Highland Dance Competition a success. There was much preparations taking on such an event but because of a strong and dedicated volunteer base and close-knit dancing community, the event was a great success. Thanks to Smith Highland Dance for her continued dedication to teaching in Guysborough!

Eastern Lobster Run

The first Eastern Lobster Run took place in Canso on Saturday May 6 and Sunday May 7. Sponsored by the Municipality of Guysborough. The weather did not scare away these braves participants. Events included a Kids Fun Run, 5 km, 10 km, and a half marathon. A big thanks to all the volunteers who made this a memorable day. We look forward to next year!

Lost Shores Gran Fondo

Registration is now open for Saturday, September 9th, 2017!

Thanks to everyone involved for making the first annual Lost Shores Gran Fondo a fun and successful ride. This event is hosted by the Municipality of the District of Guysborough. Registration is now open, we can't wait to see you again! Like us on Facebook or visit us at www.lostshoresgranfondo.ca

Tickle Loop – 120 km

We got some feedback that some cyclists wanted a few more hills so new for 2017 we added the 30 km Tickle Loop to the 90 km Lost Shores Loop for a whopping 120 km of rolling hills.

Lost Shores Loop – 90 km

This is the loop that started it all, 90 km of low traffic oceanfront cycling. This ride follows the rolling oceanfront hills for a total 1000 m climb so you'll get a full workout. As you leave Guysborough, you'll soon come flying down a hill to Spanks Bridge over the Salmon River.

Queensport Light – 50 km

This is our favorite ride, 25 km each way out and back of rolling hills along the deep blue waters of Chedabucto Bay. Biggest hill is 225 feet with several really long coaster rides. Wheeee! Head to Queensport for a picture of Nova Scotia's second most photographed lighthouse.

Interval Loop – 35km

This ride is all waterfront, no big hills. Follow Highway 16 along the shoreline for an easy ride along the water to beautiful Boylston.

Rail Trail Loop – 30km

The railway that never got built left a delightful rail trail along the banks of the Salmon River. Head out of town along Tompkinsville Road where blueberries and Christmas trees are everywhere

Freemasonry is a system of morality and ethics that transcends political, racial, financial and secular boundaries. It is a belief that all men are created equal and all deserve respect, love, relief and charity. It is a voluntary association of men who have adopted its teachings as a way of life and seek to improve themselves in their daily existence. Teaching morality through symbolism and allegory, its rites and ceremonies instruct its members to cherish the tenets of the 'Brotherhood of Man, under a Supreme Being'.

Festival Savalette 2017, August 10-13

Our 2017 celebrations mark the 14th year of the Tor Bay Acadian Festivities and the 13th annual Festival Savalette.

This year's Festival will celebrate **Canada's 150th Anniversary of Confederation**. We will focus on historic information that helped shape us as a people, region, province and country. The traits of Captain Savalette, and our Acadian ancestors helped our region overcome prejudices and evolve into an open and accepting society that we are proud to call "home".

Our annual event will feature the relocation of the "Place Savalette" site from its present location between Charlos Cove and Cole Harbour, to Port Felix. The original site was chosen by the Federal Government in 1949, but after years of research it is now felt that Port Felix is a more accurate location. This site marks the historic 1607 meeting between Basque Captain Savalette and Samuel de Champlain and his writer, Marc Lescarbot. This was a significant historic event and Parks Canada concurs and will support our efforts with a new commemorative plaque including additional text.. (more on this later)

Schedule of Events:

Thursday August 10:

1 P.M.--Official opening of the new "Place Savalette" across from St. Joseph' Church, Port Felix. New Monika Duersch paintings, historic monument and Waterline Graphix Interpretive Panels to be unveiled. Reception to follow at Port Felix Parish Hall. Free and open to all

7 P.M.--Induction Ceremony for 5 new members to our "Tor Bay Acadians' Honour Roll". Wine and Cheese gathering to follow so come and mingle with new, and former, Inductees at Communities Along the Bay Facility. Free and open to all.

Friday August 11:

6 P.M. Official Festival Opening--bi-lingual Liturgical Celebration--Église St. Pierre, Larry's River. Everyone welcomed!

Immediately following, will be the raising of the Flags at **Parc de Nos Ancêtres**, with the singing of the Acadian National Anthem, **Ave Maris Stella**.

9 P.M. Gala Dance—Featuring 2 of Cape Breton's best high energy dance bands-"**High Society**" and "**Privateers**". Come kick off your shoes and dance to East Coast's best! For tickets, call 902-525-2534, 902-525-2074, or 902-525-2627. \$15.00/ticket. **Please note dance night change from previous years!!!**

Canso Lions Club Celebrates 50 Years of Service

2018 will be a special year for the Canso Lions Club who will be celebrating 50 years of service to Canso and the surrounding communities. The Canso Lions Club provides grants to area groups and individuals. The Lions hall hosts many community events, benefit bingos plus regular TV bingo on Tuesday evening. TV Bingo and the Lucky Ball draw will be held every Tuesday evening at 6 PM the Lions Hall is open to anyone at 5 PM for anyone wishing to play. During the summer months many of the weekly activities have ended and will resume in the fall.

The Canso Lions Club will host the Annual Provincial Seamen's Memorial Service on Sunday August 13th at 2 PM at the Seamen's Memorial. Everyone is welcome to attend the interfaith service. Wreaths will be placed on the memorial in memory of fishermen and fisherwomen who have lost their lives while engaged in the fishery. Names of deceased fishermen and women who have helped build our community will be remembered during the service. For Memorial information contact Lion Ray White 902-366-2785 or Lion Cathy DeRabbie 902-366-2721.

On Sunday August 20th, the wreaths and flowers will be taken to sea as part of the annual boat parade. The wreaths will be blessed and placed on the water as a final tribute.

The Canso Lions Club welcomes new members to help carry on its service to the community. Information on membership is available from Membership Chair Lion Ray White.

To book the Canso Lions Club call Lion Clayton Haines 902-366-2035. You can visit the Canso Lions Club web page on Google.

Guysborough Memorial Hospital Auxiliary

Once again the GMHA has had a successful year which has enabled us to provide the hospital with necessary equipment and furnishings.

New items were purchased for the Palliative Care room along with a ceiling mural and a new fridge for the patients.

We were able to supply the funds for 4 bariatric chairs for the hospital and more recently have agreed to pay for new window blinds and a new stretcher/OBGYN table for the hospital. The Auxiliary has meetings on the 2nd Wed. evening of March, May, September and November each year. The meetings are held at the Hospital at 7:00 p.m. We are always interested in attracting new members and with yearly fees of \$5.00 per person it is accessible to all. Our main fundraising takes place at Easter time with the annual Bake sale and in the Fall with the Bazaar. So, as a member, what might your responsibilities be? At meetings you will be asked to vote on various requests from the hospital staff and other Auxiliary business. We might ask you to call or visit members of your community to garner donations for our fund raising events. Your help may be requested to assist at one of our fundraisers (always fun and one of my personal favourite duties). Your input and ideas will be very much welcomed as "new blood" tends to invigorate any community group. Both men and women are encouraged to join and while our Auxiliary is all women right now, many Auxiliaries across the province have a strong male component. On a personal note, you will make many new friends and also contribute to the wellbeing of your community and help keep our precious hospital at the level of excellence we all enjoy. Should transportation be the only thing holding you back, most communities in the area have active members and I am sure carpooling could be easily arranged.

To attend a meeting please contact any Auxiliary member or me, Marilyn Pellerin at 902-525-2534 or mms.pellerin@gmail.com

Kids First

- **Guysborough Parent/Tot Drop-in** takes place at Guysborough Kids First Center 105 Queen Street, Guysborough on Wednesdays from 9:30-11:30am. This program is open to all parents/caregivers and their children ages 0-6. A family centered program which provides a safe and welcoming environment for adults and children to come together and play and learn. Parents/Caregivers/Grandparents can come sit and talk with other adults while children play and socialize with other children. A great opportunity to meet other families with young children in your area.
- **Lending Library** – please feel free to drop in to our centre in Guysborough, a large selection of parenting books, videos, DVDs and parenting kits are available to borrow. We also have some baby clothes to give away. Kids First will accept donations of children's clothing and toys in excellent condition.
- **Clothing Depot** – we have gently used clothing here at the centre in sizes new born to 24 months. If anyone would like to take a look, please drop in. Call before you come to be sure there is someone here. We also take donations of clothes in excellent condition in these sizes.
- **Guysborough County Prenatal Nutrition Program** – This program is designed to support all pregnant women and their babies up to six months of age in Guysborough County. Supports include:
 - Home Visits
 - Nutritional Counseling/Support
 - Food/Milk supplements
 - Lending Library
 - Breastfeeding SupportSelf referrals welcome, please call Stacy at 533-3881 or toll free 1-888-533-3881
- **Kids First Family Home Visitor Program** is designed to help new parents with goal planning using a family-centered, strengths-based approach. The home visitor will provide emotional and practical supports, as well as role modeling, parenting information, and general health information. Referrals to other agencies and organizations who may be able to provide supports, assistance with family goal setting and achievement of these goals. Referrals for this program are done through Public Health after the birth of the baby. For more information about this program contact your local Public Health office or Kids First.
- **Parenting Journey Home Visitor Program** is intended to promote the optimal development and well-being of children and youth by providing family support. This program is for families with children ages 3-16 and is self-referral. For more information about this program, call 902-533-3881 or toll free 1-888-533-3881.
- **Kids First Website** – we now have a new website www.kids1st.ca and click on Guysborough. Check it out for calendar listings and other information about Kids First.
- **Facebook** – if you have children from birth to six years or are expecting your first child, search for Guysborough County Kids First and send in a request to join. A great way to receive updates and notices about programming in your area.

For more information on any Kids First programs or services please call 533-3881 or toll free 1-888-533-3881.

Kids First programs are made possible through financial contributions from the Public Health Agency of Canada, the Nova Scotia Department of Community Services, Guysborough Municipality and by generous donations from the general public.

The Guysborough County Adult Learning Association Celebrates Canada 150

We want your success stories!!! How have you persevered when times were tough? Help us celebrate Canada's 150 year by sharing your stories and memories from the past and present to celebrate Guysborough County's beauty and culture. These memories can be of past accomplishments or stories from your family or community. These memories will be collected and produced into a booklet for others to see how proud we are to live in Guysborough County. For more information contact GALA @ (902)533-4252 and like us on Facebook.

The goal of the Canada 150 Fund is to create opportunities for Canadians to participate in local, regional, and national celebrations that contribute to building a sense of pride and attachment to Canada.

GALA is currently working on The Come In project with the Rocky Shores Senior Group in New Harbour. This project will support social participation and inclusion of seniors by promoting social interaction between seniors and newcomers to the community. It will focus on developing a guide for newcomers, cottage owners, immigrants and others who are spending time in New Harbour and immediate surrounding communities. For more info please call the Guysborough Adult Learning Association at (902)533-4252 or visit our Facebook page.

Why Read To Your Baby?

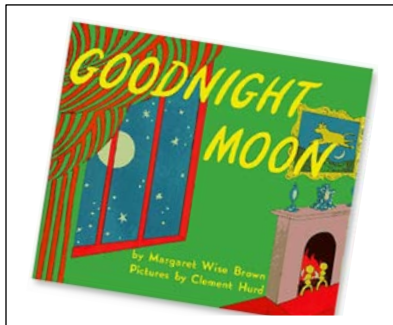

Your baby will.....

Love being held and cuddled as you read
Begin to imitate your sounds and words
Learn new words and develop good listening skills
Be entertained by the colors, shapes and images in books
Be comforted as you tell stories, sing songs and chant nursery rhymes
Develop reading skills that will lead to future success
Discover that books are an important and fun part of their world

So take a break from your busy day to cuddle and read to your baby.
You will have fun and your baby will learn important new skills.

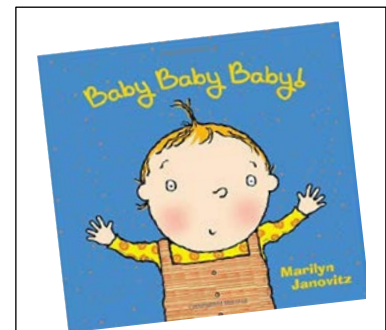

Here are a few titles from the 50 Best Books
for Babies recommended by Read to Me!
