

Celebrating National Nursing Week 2020

Nurses: A Voice to Lead — Nursing the World to Health

We salute the skilled and dedicated nurses of
Milford Haven Home for Special Care,
Canso Seaside Manor,
Guysborough County Home Support,
Eastern Memorial Hospital,
Guysborough Memorial Hospital
and all nurses working in our
healthcare system.

During Nurses Week and every day,
we are grateful for the professional,
high-quality and compassionate care
you provide to residents of
the Municipality of the District
of Guysborough.

In these trying times, your unwavering commitment
to local communities and families
is recognized throughout the municipality...

...from the ringing of church bells to
hundreds of brightly coloured posters
and ribbons adorning our businesses.

Thank you!

Municipality of the District of

Guysborough
